

Careers Explorer Activity

This exercise is designed to help you;

- Reflect on your skills, motivations and desires
- Increase your awareness of job roles available
- Think about the steps you need to take now to meet the requirement of future job roles

Task:

- Complete the Prospects Planner: <https://www.prospects.ac.uk/planner>
- Read through the Job profiles that have been matched to you
- Choose 3 of the Job profiles that came out as a potential match for you and complete the following reflective questions;

Job Profile 1:

Job role:	
Entry requirements:	
Experience required:	
What appeals to you about this job?	
Are there any parts of this role that do not appeal to you? Why?	
What do you think would be the pros/cons of you taking this career route?	

Job Profile 2:

Job role:	
Entry requirements:	
Experience required:	
What appeals to you about this job?	
Are there any parts of this role that do not appeal to you? Why?	
What do you think would be the pros/cons of you taking this career route?	

Job Profile 3:

Job role:	
Entry requirements:	
Experience required:	
What appeals to you about this job?	
Are there any parts of this role that do not appeal to you? Why?	

What do you think would be the pros/cons of you taking this career route?	
---	--

Final Questions

Will you consider any of the job roles identified going forward?	
What steps do you need to take to maximise your chances of success in gaining this type of job role on graduation?
